

## **CERTIFICATION & TRAINING COMMITTEE**

### **Terms of Reference**

The Certification and Training Committee (CTC) of the British Society for Colposcopy and Cervical Pathology (BSCCP) is established at the direction of the Executive Committee of the BSCCP. The CTC will be accountable for the processes of accreditation and re-accreditation of practising colposcopists. It will be responsible for the training and education programmes of the BSCCP.

The Terms of Reference of the Certification and Training Committee shall be as follows:

1. To work in accordance with the objectives of the BSCCP and in doing so to be responsible to the Executive Committee of the BSCCP.
2. To set and uphold standards for the accreditation and re-accreditation / certification and re-certification of colposcopists
3. To administer the processes of accreditation and re-accreditation / certification and re-certification of colposcopists
4. To establish and administer a national training programme in Colposcopy to cover all necessary elements of theoretical and practical training in colposcopy
5. To ensure that training in colposcopy is compatible with relevant professional standards
6. To establish and administer assessment procedures for the national training programme
7. To set standards for all aspects of training in Colposcopy
8. To advance the educational work of the BSCCP
