## FACULTY

### Samantha Shiplo, BMSc, MSc, MB BCH BAO, FRCSC;

Obstetrics and Gynecology Assistant Professor, McMaster University | Hamilton, Ontario, Canada

Samantha is an Assistant Professor in Obstetrics and Gynecology at McMaster University in Hamilton, Ontario. She completed her medical degree at University College Cork, Ireland, followed by residency training in Obstetrics and Gynecology at McMaster. She has a Master's in Public Health from the University of Waterloo. She recently completed fellowship training in vulvar health, gaining expertise in the diagnosis and management of vulvar dermatoses, precancers, and colposcopic care. Her academic interests include medical education. She is actively involved in teaching and mentoring trainees.

### Emily Delpero, MD, MSc, FRCSC Obstetrics and Gynecology;

Assistant Professor, University of Ottawa | Ontario, Canada

Emily completed her medical training at the University of Toronto including medical school, residency and fellowship. She is an Obstetrician Gynecologist with a fellowship in vulvovaginal health. During her training she also completed a certificate in health journalism through the Dalla Lana School of Public Health and the Munk School of Global Affairs, and obtained Masters' in Systems Leadership and Innovation through the Institute for Health Policy, Management and Evaluation. She maintains a general obstetrics practice and is focusing her gynecologic practice on vulvar skin disorders, colposcopy and menopause management.

### Heidi Bentley MD, FRCSC Obstetrics and Gynecology; Assistant

Professor, Dalhousie University | Halifax, Nova Scotia, Canada

Heidi is an Assistant Professor in the Department of Obstetrics and Gynecology at Dalhousie University in Halifax, Nova Scotia. She provides specialized care in menopause, colposcopy, and vulvar dermatology. Dr. Bentley completed her residency in Obstetrics and Gynecology at the University of Manitoba and fellowship in Vulvovaginal Health at the University of Toronto. She is a Board Member of the Society of Canadian Colposcopists. Dr. Bentley is also actively involved in teaching and mentoring medical students and residents.
