**The British Society for
Colposcopy and Cervical Pathology**

BSCCP Overseas Scholarship

How to apply

This award of £5000 is available to bring a doctor from a less developed country to the United Kingdom to train in colposcopy. If you are in a position to assist someone, please submit your proposal to the BSCCP secretariat.

The application should be from a Society member and should include:

- a) Case of need
- b) Brief details of training to be offered
- c) Curriculum vitae of Applicant (BSCCP member)
- d) Curriculum vitae of doctor to be trained

If you wish the Society to consider a reciprocal visit of the host trainer to the applicant's own country to provide 'hands on' experience, then it may be possible to increase the award by a further £1000.

Please submit your proposal to:
